ECOS LINE full anthracite color

Colonnine estraibili ECOS LINE dotate dell'esclusiva guida FORTES 50 con **portata 70 kg** e progettate per una facile e veloce installazione.

*ECOS LINE little pull-out columns equipped with the exclusive slide FORTES 50 with a **load capacity of 70 kg** and designed for an easy and a fast installation.*

*Colonnes extractibles ECOS LINE équipées avec l'exclusive coulisse FORTES 50 avec une **capacité de 70 kg** et conçus pour une installation facile et rapide.*

G U I D A F O R T E S 5 0

Tutte le colonnine sono fornite di una solida guida di nuova concezione interamente prodotta e progettata all'interno della nostra azienda: FORTES 50. Con un sistema brevettato di bilanciamento pesi, garantisce prestazioni molto più performanti:

- ① maggiore scorrevolezza
- ② maggiore stabilità
- ③ assenza di cedimenti in estrazione a pieno carico

S L I D E F O R T E S 5 0

All columns are equipped with a solid and new conception slide entirely produced and designed within our company: FORTES 50 With a patent system of balance of weight, it guarantees a very highest performance:

- ① increased smoothness
- ② greater stability
- ③ absence of failures in extraction when fully loaded

C O U L I S S E F O R T E S 5 0

Toutes les colonnes sont fournies avec une solide coulisse de nouvelle conception entièrement produite et conçue à l'intérieur de notre société: FORTES 50. Avec un système breveté de équilibrage des poids, garantie plus haute performances:

- ① plus fluidité
- ② plus stabilité
- ③ absence d'effondrement en extraction à pleine charge
